MAY DROP PEACE MOVE

Britons Believe, However, Lloyd George Will Hold Out For Parleys

CABINET TOMORROW

Will Act On DeValera's Latest Reply —Plenty of War Talk in Ulster— Decision Expected Soon

London, Sept. 6.—(Special Cable).—Strong influences are at work to cut short any further negotiations between the British Government and Sinn Fein, and they are not without influential spokesmen in the British Cabinet.

Yesterday evening I learned from well informed quarters that several of Premier Lloyd George's colleagues argue that any further pour parlers with De Valera would be a waste of time and insist that the moment has arrived when the truce should be denounced.

In view of these devlopmnts today's preliminary cabinet conference on De Valera's latest reply will be of a high critical character There is still a belief, however' that Lloyd George will urge further parleying in the hope of bringing about some basis for negotiations.

It is stated that certain members of the Cabinet, who are hopeful of making a successful appeal to Ulster and at the same time of securing Irish unity, advance the idea of making allegiance to the Crown the sole stipulation preliminary to the conference with the Irish spokesmen.

While there was plenty of war talk today from Ulster, the British press is almost united in advising Lloyd George not to let phrases stand in the way of a conference. The London correspondent of the Manchester Guardian commenting on the move today by the coercion ists to end the truce, writes:

"De Valera's last letter has encouraged all the shortsighted elements of our statesmanship in the Cabinet in the War Office and in Dublin Castle. It is the familiar case of short sight against a long view.

Those who take the short view argue that the Sinn Fein is strengthening its position; that the negotiations are being used for consolidating its military and political forces that there is no prospect of a settlement on Government lines, and that having convinced the world that Ireland's legitimate grievance is gone, the Government can proceed to measures of coercion without incurring the world's displeasure.

"To the ordinary observer here and elsewhere it would seem a very terrible catastrophe if the negotiations collapse. The Prime Minister never would be forgiven for that."

It is not expected the Government will make known its decisions until after its full meeting at Invernes on Wednesday but at the preliminary meeting tomorow it is expected the general line of procedure will be fully outlined.

ENJOYABLE TIME

Labor Day Celebration at Queen Street Playgrounds

Labor Day was a most happy day for those who attended the Queen street playground and the threatening sky did not in the least interfere with the pleasure of the afternoon, arranged by Miss Evelyn Howard assisted by Mr. Crump. A gay day is no drawback to a swimming party and about 1 o'clock a happy throng of girls and boys, each providing his or her own lunch went down the river for a swim, after a most delightful time in the water, they came ashore to enjoy the picnic as well as some games and sports.

In the evening on the Queen street grounds a watermelon feast was given and one and all voted the day a great success.

On Friday of this week Miss Howard will be as usual on the Lee street grounds at 1.30 p. m. She was there last week but the thunderstorm prevented her remaining.

MERCHANT BLACKJACKED AND ROBBED OF $1800

Atlantic City, Sept. 6.—While a traffic officer was standing fifty feet distant in broad daylight, two armed and masked robbers forced an entrance to the cigar store of Horace English, 1305 Pacific Avenue, and after blackjacking the proprietor unconscious, escaped with $1800 in cash.

The robbers not only knocked English unconscious, but kicked him while he was lying on the floor, breaking two of his ribs. The proprietor, who is 74 years old, was taken to the City Hospital. His condition is said to be serious.

English was answering the telephone when attacked. They searched his pockets and took the money from his wallet.

BIG RUSH FOR PERMITS

Crowds Throng Lee School For Permits For Public Schools

OPENING MONDAY

Work to be Continued Tomorrow and Thursday at West End School—Friday and Saturday for Colored.

There was a big rush to secure permits to attend the public schools The work was begun at 9 o'clock this morning at Lee School building and will be continued tomorrow at the same building. The hours are from 9 a. m., till 2 p. m. On Thursday permits will be issued at West End School. The work of issuing permits to colored children will be on Friday and Saturday.

Long work of issuing the permits is being done by James Callan, George Keegan, Hugh Murphy and Leslie Devers.

Long before the hour for the work to begin there was a large crowd at the school building and those engaged in the task had their hands full from the opening of the doors.

Many of the children, especially the smaller ones, were accompanied by their parents.

The children upon securing their permits repaired to the different schools and were assigned to the grade in which they will pursue their studies at the coming session. Teachers prepared a list of the books that will be necssary for the scholars and they are to be supplied with all necessary equipment when the schools reopen for studies next Monday morning at 9 o'clock.

Indications are that there will be a heavy enrollment at this session of the schools.

Minor repairs have been made at all of the schools since they closed for the summer and practically everything is in readiness for the reopening next Monday.

OUTING A SUCCESS

Large Number of Columbian Players Enjoy Attractions of Camp Columbus, Maryland.

The Columbian Players are back home again, after a big trip to Camp Columbus, Maryland, where for two days they enjoyed all the attractions and facilities offered by this exceptionally pretty and ideal summer camp. The beauty of Camp Columbus can hardly be overestimated. Situated one hundred feet above Britton Bay, the camp has a most imposing view of the surrounding country and valleys, and the bodies of water partake of the appearance of beautiful lakes. The Southern hospitality of the people of Maryland is always very much in evidence, and throughout the stay of the Columbian Players the Xaverian Brothers and the people of Leonardtown seemed to vie in extending to the Columbian Players all kinds of courtesies. The party of over sixty people arrived at Camp Columbus, which is a mile beyond Leonardtown, shortly before noon Sunday. After a well prepared luncheon, the party enjoyed the exceptionally good bathing, passing the entire afternoon in the enjoyment of the acquatic joys that Britton Bay so plentifully offered. The dinner that followed was succeeded by a delightful motor trip over Britton Bay and the Potomac River in the motor boats, "Dreamland" and "Columbus." The Xaverian Brothers have during the past year built at Leanordtown a beautiful and impressive college building, and on Labor Day morning the Columbian Players were shown through this building, which is three stories high, and which can accommodate around two hundred and fifty students. The Columbian Players have made tentative arrangements for the reproduction of their late musical comedy success, "All Aboard" for the benefit of the Xaverian Brothers who left nothing undone for the entertainment of the players while at Camp Columbus.

STATE NEWS

Lynchburg—The Buchanan Produce Exchange has been organized at Buchanan to back a butter and cheese plant, and the plant is expected to be in operation by October First.

Lynchburg—The granting of the $1.70 rate for gas by the state corporation commission has caused the Lynchburg Traction and Light meters to register the new rate. The old rate was $1.25.

Lynchburg—The value of permits issued here in August for improvements and new buildings aggregated only $37,150. There were eight permits for new dwellings and ten for garages, with fourteen for improvements.

Norfolk—When Harry Bosman yesterday was sent on to Corporation Court to answer the charge of violating the Mapp act, he found out that the handkerchief can be used for more than one purpose. Bosman was charged with breaking a gallon bottle of whisky that was in his car when arrested Saturday and the little handkerchief contained the only evidence that was convincing.

Petersburg—Dr. R. A. Martin, city health office, has warned the bathers of Petersburg that the waters of the Appomattox river is polluted, and Director of Public Safety Walker was busy Saturday warning bathers from going into the water at the foot of High street. Swimming classes in the Y. M. C. A. will be disbanded for the summer within the next few days.

Danville—Belated accounts from Wolf Trap, in Halifax County, relate an unusually cold blooded murder, which took place there last Sunday. Alfred Hawkins, a negro, went to Five Forks colored church where his wife, Kennie Hawkins, was teaching a Sunday school class. He called her out of the building and, walking with her to a nearby schoolhouse, drew a revolver and shot her through the heart, killing her instantly. Hawkins was arrested and is in the Halifax jail.

Danville—Reports from the surrounding tobacco section of agricultural conditions are the most pessimistic heard for many years. Usually it has been that where one crop failed another had prospered, but this year the drought has wiped out all of the growing vegetation. Here and there ar eto be found a few good tobacco crops but the preponderance of it will be inferior in grade. In many quarters the farmers will not have enough feed to keep their stock through the winter.

Danville—More rain fell here between the hours of 3.30 and 5.30 p. m. yesterday than during the entire month of August according to the measurements taken by the local representative of the government Weather Bureau. In August less than a third of an inch of rain was registered, while yesterday slightly more than half an inch fell. Another copious shower fell early this morning, this being the heaviest rain here since early in May.

Norfolk—Norfolk is to have a central distributing plant which will deliver to Norfolk consumers practically all of the milk that is produced in Norfolk and Princess Anne Counties. According to a statement issued yesterday by Thomas W. Thrasher, secretary of the Norfolk Milk Producers' Corporative Association, the plant is to cost between fifty and a hundred thousand dollars. Construction is expected to begin by January 1st, and the plant should be in operation by next June.

Danville—Judge Archibald M. Aiken, it is believed, will be the youngest Virginia jurist on the bench when he assumes his new duties this month. He is 30 years old and has been appointed by Gov. Davis as circuit court judge in Danville, Pittsylvania, Henry and Patrick counties, to succeed Judge Hughes Dillard, who recently died. Judge Aiken has been practicing law in Danville for six years. For the last two years he has been city attorney. Judge D. Price Withers will fill Aiken's unexpired term as city attorney. The young jurist is a graduate of Danville Milir Iattsnyi graduate of Danville Military Institute and the University of Virginia. He served as captain in the war and went through the Meuse-Argonne campaign.

BEES KILL TWO HORSES

Chicago, Sept. 6.—Nick Platz, a farmer of Morton Grove, is trying to decide whether he will give up capturing bees or do his hauling with a motortruck. While passing near a beehive with a two horse wagon an employe of Platz accidentally knocked over a hive. Instantly the bees swarmed out to the attack, joined by swarms from other hives. Platz ran for safety, leaving his horses. The bees fastened thmslves upon the horses and bore them writhing to the ground under their stings.

By spraying the horses with a hose the men drove the bees away. But in spite of everything that could be done both horses died.

MAIL BANDIT MAKES ESCAPE

Roy Gardner Mail Robber, Makes Third Getaway In 13 Months

GUARDS SHOOT TWO

Two Flee Ohio Jail.—Men Held For Million Dollar Steal Knock Out Two Jailors.

Tacoma, Wash., Sept. 6.—Roy Gardner, California mail bandit, escaped from McNeil Island Federal Penitentiary late yesterday during a jailbreak in which Everett Impyn, a Federal life prisoner, was shot and killed. Lawrence Bogart, another life prisoner, was shot and possibly fatally wounded.

First reports said that Gardner was wounded. Officers started the chase immediately. Warden Maloney and his deputies said they were confident Gardner had not escaped from the island unless he had confederates waiting for the jail-break. The break came during a ball game when more than 250 prisoners were watching the game. Gardner was playing on the team. The three prisoners are said to have made a rush for the fence. Impyn was shot and killed almost instantly by the guards. Gardner got over the fence. Bogart was recaptured and taken to the prison hospital.

San Francisco, Sept. 6.—The escape yesterday of Roy Gardner, California mail bandit, from McNeil Island Federal Penitentiary was the third he had made in the last 13 months. On two previous occasions he escaped from officers while en route to prison to serve a long sentence.

Gardner made his first break for liberty in August, 1920, from a train at Portland, Ore. He had been sentenced to 25 years for robbery of a mail wagon at San Diego. June 11 of this year the bandit escaped from a deputy Federal marshal and a Federal guard on a train near Castle Rock, Wash., while en route to McNeil Island prison to serve a term of 25 years for robbing the mail near Newcastle, Cal. He had confessed to the robbery. He was recaptured at Centralia, Wash., June 16 and taken to McNeil.

Toledo, Sept. 6.—Three men, indicted for conspiracy in the million-dollar postoffice robbery here last February 17 and awaiting trial for alleged robbery in the same case, escaped from the Lucas county jail early this morning without firing a shot.

The men are Joe Urbaytis, George Lewis, alias George Rogers, and Charles Schultz. All three are declared by police authorities to have been actual participants in the robbery and were to have gone on trial early next month.

The escape was effected by overpowering two deputy sheriffs, who were left in charge of a jail full of prisoners, including eight more convicted in the postoffice robbery, while Sheriff Jack Taylor was attending the county fair.

Sam Zimmerman and George Szmetko, the two deputy sheriffs, were slugged by Urbaytis, who used a buckle and strap from a jail cot. Dr. William Shapiro, jail physician, escaped harm by locking himself in the cell.

The fugitives walked out of the jail unmolested after seizing four large revolvers from the Sheriff's desk. No trace of them had been found last night, despite a thorough search made by practically every available police officer in the city.

All three of the convicts have long police records, according to the authorities. Lewis is said to have been identified during his period of incarceration by California authorities as an escaped lifer from San Quentin, where he was serving for murder. Schultz and Urbaytis have been connected by the police with a long list of hold-ups and robberies during the last three or four years.

Urbaytis is a brother of Wanda Urbaytis, who was sought for nearly a month as the woman with the black bag who disappeared from a train at Elkhart, Ind. The girl was taken in Chicago several days later and was convicted with her brother on the conspiracy charge. None of the 11 convicts had been sentenced.

TO GIVE CARNIVAL

Clarendon, Va., Sept. 6.—A carnival for improvement of the fire department, to be known as Clarendon's first annual celebration, will be held by the Citizens' Association for two weeks beginning September 12, at the corner of Wilson boulevard and Wheeler avenue. President Taylor has named a committee on arrangements of which A. B. Eaton, chief of fire department, is chairman; F. B. Keefer, secretary, and E. L. Bennett treasurer. An automobile is to be disposed of and a six-act vaudeville show and new merry-go-round will be among the features.

EVIDENCE PILED UP

Two Women's Testimony Gets Joseph Kemp, Colored, Fined $25

When his mother-in-law and his sister-in-law got through testifying against Joseph Kemp, colored, Kemp appeared outgeneraled from every angle, although he made manly defense but this effort proved unavailing to the court and a fine of $25 was assessed against Kemp.

Sarah Lucas, colored appeared as complainant against the accused. She charged he threatened her with a knife. Kemp's mother-in-law corroborated her testimony. Kemp dedenied the charge, and on the other hand claimed he was threatened with a hatchet by the complainant. The prisoner was arrested by Policeman Carlton Padgett.

Other cases disposed of was a white man, charged with disorderly conduct. He was fined $5. The arrest was made by Policeman Rawlett and Snellings. A white man arrested by Policeman Talbot for an allaged violation of the traffic law forfeited $5 collateral.

LIBERTY LODGE I. O. O. F.

Called Meeting Thursday Night To Meet State President

A called meeting of Liberty Rebekah Lodge of Odd Fellows, will be held at 8 o'clock Thursday at Odd Fellows Hall for the purpose of having the members of that lodge meet Mrs. Palmer, of Norfolk, Va., who is state president of the assembly.

A reception will be tendered by the local organization in her honor. It is expected that the meeting will be largely attended.

Soviet to Establish Minimum Wage Scale

Riga, Sept. 6.—Establishment of a minimum wage scale, under which workmen are to be paid sufficient money to enable them to buy necessary food supplies, has been decided upon by the Russian Soviet Government. The present system of payment of bonuses in the form of commodities is to be abolished.

Wages are to be divided into 17 categories, ranging from a minimum of 227,500 rubles monthly to a maximum of 682,500, which sums are figured as approximately equal to $7 and $21. A pound of bread now costs 2,000 roubles, or 7 cents.

The Moscow Pravda says that as soon as the collection of grain for the natural tax is finished the Soviet Government will turn its attention to the problem of decreasing the issue of currency and stabilizing its value.

COLLISION INVESTIGATED

Case of Electric Car Striking Wagon Heard.

An investigation of the case of a northbound train over the Washington-Virginia Railway striking a wagon driven by Walter Thompson yesterday morning at the intersection of Royal and Franklin streets was held in the police court today before Justice W. S. Snow. The court held there was no evidence adduced to show that the car exceeded the speed limit and dismissed the case so far as criminal proceedings were concerned.

Four Aviators Found Dead In W. Va. Mountains

Charleston, W. Va., Sept. 6.—The bodies of four of the five members of the crew of the Government Martin bombing plane No 5 from Langley Field, Va., were found yesterday on the north side of Twenty Mile creek, 10 miles southwest of Summerville, Nicholas county, and the fifth is enroute by automobile to Charleston in a serious condition, according to information received last night by Major Davenport Johnson, in charge of the army air forces stationed here.

Negro Cotton Strike Off When Klan Warns

Corsicana Texas, Sept. 6.—A notice signed "K. K. K." posted in the negro section of Blooming Grove, near Corsicana warning negroes of the community that they must pick cotton resulted in virtually all the negroes there reporting for duty in the fields this morning.

The negroes have been demanding 75 cents a hundred pounds for picking cotton. It was said 50 cents per hundred was the rate prevailing today.

Tenor Drops Dead on Stage

Berlin, Sept. 6.—Josef Mann first tenor of the Berlin Opera, collapsed suddenly and died on the stage last night while singing in "Aida."

Mann had been engaged to sing in the Metropolitan Opera House in New York during the coming season He had a large repertoire of both dramatic an lyric roles.

LABOR DAY S. S. PICNIC

Splendid Program Given at George Mason High School

WINNERS OF EVENTS

Miss Margaret Duncan is Crowned Queen.—Address Made by Rev. Dr. E. V. Regester.

The Sunday School picnic given yesterday by the Sunday Schools of the city at the grounds of the George Mason High School north of the city was a success and fairly well attended despite the lowering clouds. An interesting program was given followed by sports and a ball game. All of the picnickers enjoyed the outing immensely.

The program started early in the afternoon and as follows: Song, led by W. Edward Dunn; invocation, Rev. E. V. Regester, pastor of the M. E. Church South; crowning of Miss Margaret Duncan as queen; presentation of queen to the schools by Miss Mazie Parker; response by queen; reading of original verse by Mrs. James Hulfish; reading, W. Edward Dunn; song, Miss Irma Wolf and Miss Helen Outcalt.

The athletic program and result follows: 30 yard dash for girls, won by A. Sullivan; 30 yard dash for boys, won by E. Cassedy; standing broad jump, first for girls, won by L. Wilburn; for boys, won by C. Robey; threading needle contest, for men, won by Mr. Thile, who succeeded in threading 7 needles in thirty seconds; 30-yard dash for girls, won by L. Wilburn; nail driving, won by Mrs. O. P. Lloyd, who in 1 minute and 20 seconds drove 20 six penny nails; relay race, Girl Scouts against Boy Pioneers, captured by Boy Pioneers who won two out of the three events. A ball game concluded the afternoon's amusement when St. Paul's Sunday School team defeated a team made up for the occasion by members of the Second Baptist Church Sunday School, by a score of 17 to 6.

RESUME SCHOOL WORK

With an increased attendance of over the last scholastic year St. Mary"s Academy and parochial school, conducted by the Sisters on the Holy Cross, and the Xaverian Brothers School, Washington and Queen streets reopened this morning for studies.

It is expected that many former pupils who are now away on their vacations will enroll upon their return home.

HOMEWARD BOUND

Labor Day Crowd and Other Vacationists Return

Late trains and boats last night brought back hundreds of vacationists who spent Labor Day out of the city. Many did not get home till this morning. Despite the threatening weather yesterday hundreds spent the day out of the city and many who were unable to leave during the day left last night for nearby resorts where they spent the evening. In addition to the Labor Day crowd many others who have been spending the summer months out of the city returned today. Practically all w irlelrntuSHRDETA Practically all will return by September 15.

10,000 See Balloonist Fall 600 Feet to Death

North Adams, Mass., Sept. 6.—More than 10,000 persons saw Eugene M. Stafford, Boston balloonist, fall 600 feet to his death at a fair yesterday. The webb belt attaching him to his parachute broke as he changed parachutes.

Stafford was giving an exhibition of the double parachute drop. At the height of 1000 feet he jumped in the first parachute and at 600 feet cast off that one for a second. Just as he changed the spectators saw him break loose and drop rapidly to the ground.

"Sunset Service" Opens May Flower Congress

Plymouth, Mass., Sept. 6.—A sunset service on Burial Hill last night formed a prelude to the Ninth General Congress of the General Society of Mayflower Descendants, which will open here tomorrow. It was conducted by Dr. John Coleman Adams, of Hartford, Conn., Elder General of the Society.

The congress will hold business sessions tomorrow and Wednesday, with inspections of historic localities On Thursday a Pilgrim Memorial on the summit of Cole's Hill, erected by the Society, will be dedicated,

WASHINGTON DAY BY DAY

(From Our Special Correspondent.)

Washington, Sept 6.—For the first time in history the Metropolitan District of New York has surpassed Greater London in population Figures just made public by the Census Bureau show Metropolitan New York with a total population of 7,910 415 as against 7,476,168 for Greater London. Under the 1910 census, Greater London led with 7,251 358 against 6,566,359.

The Metropolitan District of New York, officials explained, includes in addition to Greater New York, which is comprised of the five boroughs of Manhattan, Bronx, Brooklyn, Queens and Richmond, all of the surrounding cities and towns which are wholly independent of New York proper politically but are otherwise closely allied with it along social, industrial and commercial lines. Greater London is similar to the Metropolitan District of New York, being comprised of Registration London, which compares with Greater New York and the so-called "Outer Ring" or adjacent suburban territoryy.

Delegates Face High Prices

As was to have been expected rent gougers in Washington are planning to reap a harvest from the forthcoming confernce on disarmament and Far Eastern questions. Foreign nations which have been invited to the meeting through their representatives in Washington, are making arrangements for quarters at the National Capital, but they have run up against high and higher prices for accommodations not only at hotels but at boarding houses and other places where they are seeking quarters. The price profiteers at the National Capital, thwarted in their efforts to gouge the public during inauguration week in Washington, seem determined to carry on their method of graft when the foreign delegates to the disarmament confernce meet. Under Secretary of State Fletcher, who is in direct charge of arrangements for this meeting, is doing evrything in his power to secure favorable accommodations for the foreign delegates at reasonable prices. But he is having a hard time of it and the Department of Justice may have to be called upon to use its good offices to prevent the carrying out of the plans of the rent profiteers.

Situation Is Relieved

Washington feels that the acute situation in West Virginia, due to the rioting among the miners in the coal fields of that state, has been relieved through the presence of federal troops in the commonwealth. Reports received today at the War Department indicate that the miners are returning to their homes and that further trouble is not anticipated. While it was not necessary for the President to issue a proclamation declaring a state of martial law to exist in West Virginia the ordering of United States troops into the disturbed sections of the state caused an immediate reaction and resulted in the restoration of order out of chaos.

Senatorial Contest In N. Mex.

Democratic politicians in Washington are looking forward with much interest to the coming Senatorial contest in New Mexico. The sitting Republican member of the upper branch of the national legislature is a candidate for re-election and the "Big Guns" of both Republican and Democratic parties will be put into the state in the hope of carrying victory for their standards. Democrats are planning a vigorous campaign in New Mexico and from reports that are being received in Washington they have more than an even chance of coming out victorious The first test of the power of the Republican administration will be determined at the Senatorial election in New Mexico and from now on the fight will be waged with the greatest fury.

To Make U S. 100 Per Cent Dry"

Prohibition Commissioner Haynes and Internal Revenue Commissioner Blair have started out on a vigorous campaign to make the country 100 per cent "dry." They are centering their activities and those of their agents just at this time on New York and other Atlantic coast ports It is their hope that rum smuggling will be broken up through the operations of the board of special agents that have been assigned to duty in New York and other big cities within the past few days and that real prohibition will be the result.

TODAY'S THOUGHT I'm nobody! who are you? Are you nobody, too? Then there's a pair of us—don't tell! They'd banish us, you know.—How dreary to be somebody! How public, like a frog: to tell your name the livelong day to an admiring bog!

AN AUTOBIOGRAPHY

It was an adage among the Romans, before the Christian era, that nothing must be said of the dead unless good. This might make it difficult to review an autobiography of one recently deceased. But when the autobiography attacks the living virulently, and with an apparent malignance of purpose, it would seem that the protection afforded by the adage had been waived, and that the natural right of self-defense might claim priority.

The so-called autobiography of William F. McCombs, formerly chairman of the Democratic National Committee, entitled the "Woodrow Wilson Campaign" is being published in certain newspapers of lurid tendencies, and the first chapters have caused amazement among the unthinking members of both the Democratic and Republican parties. The succeeding instalments, however, have served to convince those familiar with like instances, that the writer was deserving more of pity than condemnation. A strenuous and complicated political campaign brought about a complete physical collapse accompanied by nervous breakdown. This is frankly confessed by McCombs himself. As the disease progressed the hallucination increased, until the victim became obsessed with the idea that the whole world was engaged in a conspiracy against him, and that he alone was the moving cause of all the great events happening about him. This, of itself, is a form of mental alienation, known as megalomania, in which the patient has grandiose delusions concerning himself.

The ancient saying, therefore, need not be violated in this instance. Rather, compassion for the mind diseased, and keen sorrow that some "sweet oblivious antidote" had not been found "to cleanse the stuff'd bosom of that perilous stuff that weigh'd upon his heart." This is, this can be, the only explanation of the alleged autobiography of the unfortunate McCombs. The more the pity, that any newspaper of standing can be found to make public what must be considered only the vaporings of delirium. Poor McCombs: Requiescat in pace!

PLANS OF A. A. A. PROVIDE FOR MORE REVENUE

Washington D. C., Sept. 3.—Activities of importance to every motorist in the country are encompassed in the new and forward looking plans of the American Automobile Association. Since the recent meeting of the A. A. A. executive board, at which time it was voted to widen the scope of the organization's activities and to raise more revenue to carry on the work, the national headquarters here in Washington have been fairly popping with "pep" and resounding merrily to the hum and bustle of putting the board's decisions into effect.

While the committee in charge of the organization's automobile insurance plans is combing the country for all the data information and experiences necessary to establish such an important bureau, Acting Executive Chairman D. L. Morgan is making every effort to get A. A. A. legal counsel appointed in every section of the country. At the same time other members of the official staff are working out and putting in to effect many new features designed to benefit motorists generally and A. A. A. members particularly.

In New York City and Washington, where membership in the A. A. A. is individual and direct, nothing is to be left undone it is said, that could be considered an aid to members. Increased activities include free towing, free legal advice, special membership theft protection and renewed and closer cooperation with police departments and traffic squads in the handling of traffic and the elimination of speed maniacs, reckless operators, and all persons whose driving is a menace to other users of the streets and highways.

In Washington branch stations of the touring bureau are being established with the idea of not only making it more convenient for members to obtain touring information but also to make such information available earlier and later in the day than has been the case heretofore at the main offices. This plan probably will be followed in New York City. Other plans include a printed list of all the campsites in the country, together with a resume of the conditions under which they may be used; also a reliable and recommended hotel service for touring motorists, and a national string of guaranteed garages and repair shops.

Although it has been necessary to explain in many instances why the membership fee has been increased the percentage of renewals continues high and the new membership campaign inaugurated recently is meeting with success everywhere. With a large force of solicitors already employed in Washington and New York City, more are being added each week with a view to training and equipping men for field service.

Every Car On Schedule--- Southern's Peach Record

Atlanta, Ga. Sept. 1.—Every car on time was the record of the Southern Railway System in handling 5,320 cars of Georgia peaches to the markets of the East and West during the season just closed.

Peaches from South Georgia are concentrated at Atlanta from which the Southern handled 4 557 cars to the East; 362 northbound via Chattanooga, Louisville and Cincinnati; 29 to the West via Birmingham; and 8 to Florida via Macon. From North Georgia orchards 364 cars were sent East, making a total eastbound movement of 4 921 cars, handled in 129 special peach trains from Atlanta and eight from Greenville S. C., to Potomac Yards, Va.

Each of these shipments moved to destination or connecting line on schedule time without delay or accident. This hundred per cent performance which contributed greatly to the success of the peach growers this year, is attributed by Southern Railway officers to improved facilities, including the double tracked line from Atlanta to Washington and to the splendid morale of

An illustration of the spirit which animated the Southern's men in moving peach trains was furnished by Engineer A. P. Chandler, of the Danville Division, who on arriving at Greta, Va. noted the loss of a piston key from his locomotive. Realizing that delay to his train would break the perfect record, he went to a blacksmith shop and made a key, putting his train to destination on time.

Shipments of peaches from Georgia this year have broken all past records the Bureau of Markets and Crop Estimates of the United States Department of Agriculture reporting 10,468 cars. A report to the Bureau predicts that before many years 15,000 cars of peaches per year will be marketed from Georgia. The report concludes with a reference to the genral satisfaction expressed by the trade with the manner in which the 1921 crop was handled by the rail roads.

Fabrics That Blossomed for Midsummer Frocks

SILVER-GRAY drifts of voile—soft clouds of dawn-tinted mull—a flutter of cool, clear-toned organdy—the loveliest frocks ever dreamed of are held captive in their billowy lengths, awaiting the magic touch of your needle.

Will you select the jade organdy or the apricot linen—the scarlet voile or the flamingo? It is merely a matter of preference, because you can't resist the fabrics and you don't have to. Our midsummer prices are setting a new standard of moderation. But even more important, a marvelous new invention bids you to choose the fabrics you most desire and it will grant you wonderful economies:

The DELTOR

A picture guide with every new Butterick Pattern that saves you 50c to $10 on every frock you make

First, you buy from ¼ to 1⅜ yards less material than you ever used before because of a wonderfully simple cutting guide worked out in your size, for your pattern, and in every suitable width of fabric. You follow it simply—surely—swiftly—and you have saved 50c to $10 in materials on every frock you make.

Then, according to the Deltor you put your garment together. Your needle follows its simple pictures as it flies in and out; with never a second of hesitation, you attain the perfect fit and drape that you thought could only be the work of a professional modiste of *Fifth Avenue or Paris.*

And last, the Deltor's finishing touches accomplish a wonderful thing for you. How often have you hoped to make a *"creation"* instead of just a dress? With Deltor *you* do just *that.* It reveals those intimate little touches of finish and adornment of a Parisian modiste—that make your frock stand out in any gathering.

Don't Be Careless of What You Eat

It is highly important that the daily diet be carefully selected. In other words that you know the composition of what you are eating---especially if it is being given to the youngsters.

There's a great difference in Bread---the character of it and the nourishment which can be expected of it.

CORBY BREAD

represents the very best that can be baked. Each and every ingredient has passed the censorship of scientific investigation---so that you can be sure of its absolute purity; and because the Corby doughs are developed by a patented process which makes sure of ALL the gluten content of the flour---you get the utmost in nutrition---

100% Pure, and
100% Nutritious

Growing youngsters get in CORBY BREAD the nourishment they need.

Corby Bread is made right here in Alexandria—and delivered fresh from the ovens to your grocer and delicatessen.

First on the Appetite List

ONCE the crispness and charm of Grape-Nuts have been tested by the family, there's one item that stands prominently out in the marketing list thereafter.

That's Grape-Nuts.

The twenty hours of continuous baking have produced, from the natural richness of wheat and malted barley, a food that is uniquely sweet with sugar developed from the grains themselves, and whose crispness and flavor make a delightful appeal to every member of the family.

And Grape-Nuts is soundly nourishing —a great builder of health and strength.

Served with cream or milk, as a cereal for breakfast or lunch, or made into a pudding for dinner.

See that your marketing list includes this delicious, economical food, today. All grocers.

SPORTS

Many Alexandria baseball fans who visited the American League Baseball Park in Washington, Sunday to witness the game between the New York Yankees and the Washington Senators were agreeably surprised to see Carl "Ikey" Dreifus dolled up in a neat Washington uniform. Manager George F. McBride of the Washingtons gave "Ikey" a compplete outfit and ordered him to perform as a left hand pitcher before the thousands of baseball fans, which caused them to ask questions concerning his identity.

"Ikey" made good and won the admiration of the fans by his excellent pitching and fielding in practice. Even the New York players watched him in action and commented on his speed and fine work.

Captain McBride was much pleased with "Ikey's" offerings to the batters and he will try and polish him up for a big league twirler.

Not only will "Ikey" play baseball but he has been tendered a place by Captain "Tim" Gordan on the Washington Professional Football team, which will compete with the best professional gridironers of the United States in the American League Baseball Park.

The first game will be played Sunday, October 9.

The Rose Buds, Jr., defeated the Triangle B. B. C. Sunday on north Alfred street grounds, by the score of 7 to 6 in the second game of the series. The features of the contest was the battery work of C. Deavers and S. Elmore. Deavers striking out 12 of his opponents. The deciding contest will take place on Baggett's field on September 18th for the championship.

LAUGHS

Edith Wharton, the writer, told this war story: "The American wounded were being brought in from the second Marne battle, she said, "and a fussy American woman in a Khaki uniform and Sam Browne belt knelt over a stretcher and said. 'Is this case an officer or a man?' The brawny corporal who stood beside the stretcher gave her a grim laugh and said: "Well, lady, he ain't no officer, but he's been hit twice in the innards, both legs busted, he's got two bullets in both arms, and we dropt him thr times without his lettin' out a squeak, so I guess ye can call him a man.'" —Seattle Argus.

You should pay less for your paint than Jones pays

JONES wants his house painted pearl gray. You want olive green or bungalow brown. It costs more to make pearl gray. Why then should you pay the same price as Jones—in other words help pay his painting cost?

Each kind and color of Certain-teed paint is priced according to the cost of making that particular product plus a fair and uniform profit. We price these goods to you on the same basis.

Certain-teed paints and varnishes are highest quality—made only from the best ingredients—carefully ground and mixed under a formula which is printed on every label. There are no secret ingredients in Certain-teed. The Certain-teed policy means lower prices for everyone—each customer pays for what he gets—and it's always the best. We have the right Certain-teed Paint or Varnish for everything inside and outside your house. See us before you buy any paint.

At a Special Term of the Circuit Court of the City of Alexandria continued and held at the Courthouse of said City on Thursday, July 21, 1921.
Present: Hon. Samuel G. Brent, Judge.
In the Matter of the Petition of the Electors of the City of Alexandria, Virginia, for the Change in the Form of Government for said City under the Provisions of the Code of Virginia of 1919 and the Acts of the General Assembly of Virginia Amendatory thereof.
This 21st day of July, 1921, came the petitioners and presented petitions prepared and executed in due form of law of electors of the City of Alexandria, equal in number to at least 10 per cent of those qualified to vote at the last general election held in said city at which a mayor or council was elected, and specifying in said petition the particular form of government permitted under the provisions of the Code of Virginia, 1919, and the Acts of the General Assembly of Virginia, amendatory there of, to wit: "City Manager Plan," which form of government they wish to adopt, including a Council to be composed of five councilmen, to be elected at large and to serve with compensation, and asking that an election be held on the 4th day of October, 1921, as provided by the Code of Virginia, 1919, and the Acts of the General Assembly of Virginia amendatory thereof; and said petition being in all respects in conformity with the provisions of the Code of Virginia of 1919, and the Acts of the General Assembly amendatory thereof; it is ordered that Windsor W. Demaine, R. E. Sweeney and Frank E. Moore, or their successors in office composing the Electoral Board of the City of Alexandria, Virginia, be and they are hereby directed to take such steps and prepare such means as may be necessary to submit to the qualified voters of the City of Alexandria, Virginia, at an election which said Electoral Board is hereby ordered and directed to hold on the 4th day of October, 1921, for the determination of the quesiton whether said proposed change in the form of government for the City of Alexandria shall be adopted or not; and that said election shall be conducted in the manner prescribed by law for the conduct of regular elections by the regular election officers of said city.
And it is further ordered that a copy of this order be published in the Alexandria Gazette, a newspaper published in the City of Alexandria, Virginia, for at least 30 days prior to said election, and said Electoral Board is further directed to give all the due publicity to said election that under the law they are required to give of regular elections.
And the Clerk of this Court is directed to transmit a copy of this order to each member of the Electoral Board of the City of Alexandria, Virginia.
A TRUE COPY.
TESTE:
NEVELLE S. GREENAWAY, Clerk.
In pursuance of the annexed order of the Circuit Court of the City of Alexandria, Virginia, entered July 21, 1921, notice is hereby given that an election will be held in the city of Alexandria, on Tuesday, the 4th day of October 1921, for the purpose in said order set forth, and that the said election will be conducted in the manner prescribed by law, for the conduct of regular elections and by the regular election officers of said city.

MOTORCYCLE PRICES REACH ROCK BOTTOM

Motorcycle prices have taken a tumble, and a big one! With the announcement of new models and reduction of prices recently issued by a large Milwaukee manufacturer, it may be said that motorcycle prices have returned to practically a pre-made by the company range from 25 to 29 per cent.
As a result of the announcement the factory, which is considered the leader in the industry, is operating on practically a full operation schedule and orders are reported to be coming in from all sections of the country faster than they can be handled.

When and How Women to Register

The Attorney General, under date of March 3, 1921, ruled that the women of Virginia may register at any time from now, up to and including October 8, 1921, by paying the Treasurer $1.50 poll tax.
Registrars will register women who apply to them at any time, up to and including October 8, on which day Registrars will sit at their voting places, to register those applying to be registered. This is generally known as Registration Day, and is the last day on which anyone can register to vote at the November election.
Method of Registering
The method to be pursued by a woman who desires to qualify herself to vote at the November election is to have the Commissioner of the Revenue assess her for taxation, take his certificate to the County or City Treasurer, as the case may be, and pay him $1.50 poll tax for the year of 1921; then present the Treasurer's receipt for $1.50 poll tax to the Registrar of her precinct and be registered.
Register Now! Do Not Postpone Until The Last Day of Registration. Something Unforeseen May Happen. Do Not Wait. Act at Once.

William and Mary College

Williamsburg, Va., Sept. 6.—Appointment of Dr. Joseph E. Rowe to be the head of the Department of Mathematics was announced today by Dr. J. A. C. Chandler, president of the College of William and Mary. Dr. Rowe will begin his work here September 15, at the opening of the 1921-22 session.
Dr. Rowe has had ample experience as an educator for his work at William and Mary. At Pennsylvania college, where he received his bachelor's degree, he was first honor man in his class. He studied at the University of Virginia in 1904-05, and at Johns Hopkins from 1906-10. His Doctor of Philosophy degree was awarded by Johns Hopkins, where he was also a University Scholar and Fellow in Mathematics, as well as a member of the Phi Beta Kappa Society. During his work as an educator, Dr. Rowe has taught at Haverford College, Dartmouth, and Penn State. During the war he was a Mathematical Research Engineer for the Nationaly Advisory Committee for Aeronautics. For the last twelve months Dr. Rowe has been Chief Ballistician at the Aberdeen Proving Grounds. A number of articles by him have appeared by scientific and mathematical papers, and another, "The Power of the Modern Gun and Thunder," is soon to appear in the Scientific American. This paper will first be read before the American mathematical society, at its meeting at Wellesley college in the near future.
Dr. Rowe and his family are already making their home in this city.

HER SUFFERINGS LASTED 16 YEARS
Before Taking Tanlac Covington Woman Was Unable to do Any Kind of Work.
"I have been a sufferer for sixteen years, and have had experience with all kinds of medicine, but I have never in my life found anything to equal Tanlac," said Mrs. A. G. Rea, of 504 Alleghany, Ave., Covington, Va.
"If I had got Tanlac years ago it would have saved me lots of money and a world of suffering. But I am so happy over the way my health is being restored that I am not worried about the past. I suffered from disordered stomach and kidneys, was terribly nervous, my circulation was poor, and, in fact, nearly everything seemed to be the matter with me.
"Nothing I tried did me a bit of good, and about four years ago I got so weak and run down I had to give up doing any kind of work. My husband and all my family, as well as myself, had about decided that I was doomed to be a sufferer the balance of my days.
"Well, I am just now on my second bottle of Tanlac, and it is simply doing wonders for me. I am eating, sleeping and feeling better and have already gained eight pounds in weight I am doing some housework every day and am gaining strength and feeling better all the time."
Tanlac is sold in Alexandria by Edgar Warfield, Jr.

Do It Now!

So many coal consumers have delayed putting in their Winter coal this season that there will be an urgent demand when the weather gets cold which will make it impossible for the mines to produce, the railroads to haul or the dealer to handle all orders as satisfactorily as the trade will want.

It is our advice to all consumers to enter their order now and have their coal put in as promptly as possible.

Calomel Horror Told By Dodson.

You Don't Need To Sicken, Gripe, Or Salivate Yourself To Start Liver.

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up up better than calomel and without griping or making you sick I want ye to go back to the store and get you money.

Take calomel today and tomorrow you will feel weak and sick an nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling splendid. It is perfectly harmless, so give it to your children any time. It can't salivate.

FOUR DOCTORS GAVE HER UP

Through a Neighbor's Advice This Woman Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Kenosha, Wis.—"I suffered with a female trouble and at last was in bed for six weeks with what the doctors called inflammation of the bowels. Four of them said I could not live. A neighbor told me to use Lydia E. Pinkham's Vegetable Compound and it helped me from the start. When the doctor came I told him what I had taken and he said, 'Throw my medicine away and keep on with the Pinkham medicine.' I did and it cured me. If more women would take your medicine they would not suffer so. I have recommended the Vegetable Compound to lots of people and they have been satisfied." — Mrs. MARY RHAPSTOCK, 2704 Wisconsin St., Kenosha, Wisconsin.

When a woman is beset with such symptoms as irregularities, inflammation, ulceration, a displacement, backache, headaches, bearing-down pains, nervousness or the "blues" she should treat the cause of such conditions by taking Lydia E. Pinkham's Vegetable Compound, the standard remedy for woman's ills.

Test this Gasoline for Yourself, on the Road

HOWEVER sincere one motorist's statement may be, *his* experiences with *his* car cannot be applied exactly to *your* operation of *your* car. Most drivers know that individual cars have peculiarities.

We do not ask you to use the improved "Standard" Motor Gasoline simply because you have heard that it is the best on the market. We want you to try it for yourself, according to your own requirements. On a basis of results, alone, we would gladly have you decide whether or not you should use it regularly.

"Standard" Motor Gasoline is a light, volatile fuel which enables your car to start easier and run more smoothly. It has extra pulling power. The recent improvements in the product, made possible by the work of our Development Department, have made "Standard" Motor Gasoline the best obtainable.

But remember that the final test of gasoline quality is how it performs in *your* motor. Try "Standard" Motor Gasoline for yourself under varying road and weather conditions. It will pay you to begin at once.

A great combination is "Standard" Motor Gasoline for power and Polarine for lubrication.
